Glorious News

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved,—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion builds up the strength. Only 50 cents. Sold by J. L. Gaskins druggist, Guaranteed.

Ward City Mention.

LaGrippe seems to have lost its grip in this community. A few persons still complain, but all are improving.

The dry, cool weather has retarded the growth of farm products, but there is a long season yet ahead of us and we will show up all right at harvest time.

We have a Farmers' Resort lodge at this place and its membership comprises 40 or 50 of our best citizens. The lodge is presided over by our genial friend, Major R. F. Lewis, who, by the way, would make an excellent county officer.

The town was very quiet last Saturday night. The beer brigade shifted the scene of their operations to the Santa Fe river, west of town, where they made the night hideous with yells and hootings. Beer flowed freely during the evening, but unfortunately for some of the crowd there was a reaction and it flowed the wrong way later.

We had a very able and interesting sermon by Rev. A. Crosby Sunday from Proverbs 14 chapter, 12th verse. "There is a way which seemeth right unto a man, but the end thereof are the ways of death." The subject was well handled and the sermon was greatly enjoyed. We have services every second and third Sundays at 11 a. m. and 7 p. m. by Revs Brown and Crosby, and occasionally Rev. W. F. Malphurs and others give us a call. We also have a splendid Sunday school, which meets every Sunday at 3 p. m.

He Fooled The Surgeons.

All doctors told Renick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Arnica Salve, the surest Pile cure on earth, and the best salve in the world. 25 cents a box. Sold by J. L. Gaskins druggist.

LaGrippe Successfully Treated.

"I have just recovered from the second attack of la grippe this year," says Mr. Jas. A. Jones, publisher of the Leader, Mexir, Texas. "In the last case I used Chamberlain's Cough Remedy, and I think with considerable success, only being in bed a little over two days, against ten days for the former attack. The second attack I am satisfied would have been equally as bad as the first but for the use of this remedy as I had to go to bed in about six hours after being 'struck' with it, while in the first case I was able to attend to business about two days before getting 'down'." Dangers of the Grip.

The greatest danger from la grippe is of its resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for la grippe, we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that this remedy is a certain preventive of that dangerous disease. It will cure la grippe in less time than any other treatment. It is pleasant and safe to take. For sale by J. L. Gaskins druggist.

A Life And Death Fight.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure throat, chest and lung troubles." Regular size 50c and \$1.00. Trial bottles free at J. L. Gaskins drug store.
